Saluting BOY SCOUTS OF AMERICA

Celebrating the 78th anniversary of the Boy Scouts of America, our local Cub Scouts, Boy Scouts, and Explorers will take part in a variety of activities from February 7 to 13, this year's anniversary week. As active business members of our community as well as private citizens, friends and neighbors all, we commend the valuable training that is offered to these young men.

We salute the Boy Scouts of America, the chartered organizations that use the Scouting program, and the dedicated volunteer leaders who make it possible, as they say, "for a better life."
